Dear Mrs. Trainer:

I am in receipt of and thank you for your letter dated January 25, 2006 regarding the above referenced reports. The expenditures made for "Food/catering", "fundraising consultant fees" were correctly reported as operating expenditures for Defend America PAC and the expenditures were not made on behalf of specifically identified federal candidates. The "printing costs" did not contain express advocacy. These expenditures were correctly reported and were necessary to conduct fundraising events for contributions to Defend America PAC. Disbursements made during 2006 reported as operating expenditures for Defend America are not made on behalf of specifically identified federal candidates. In the event a portion or all of any expenditure is made on behalf of a specifically identified federal candidate, the amount of the expenditure will be disclosed on Schedules B or E supporting Lines 23 or 24 and will include the amount, name, address, and office sought by each.

Please do not hesitate to contact me should you need any additional information in regard to this report.

Sincerely yours,

John J. Lloyd
